Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: James C. Lorson discussed in detail the features of independent claims and also distinguish feature of claims over Shin, Honbo and Lin, Particularity that, Shin and Hobo and Lin do not teach "the inverter circuits is positioned in close proximity to one end of the fluorescent tube and the length of a connection between the one inverter circuit and the one end of the fluorescent tube being substantially shorter than the distance between the one inverter circuit. Therefore, the rejection mailed on 3/10/09 will be withdrawn. .
